

AMSTELLODGING

HOLIDAY APARTMENTS AMSTERDAM

Offer your rental apartment through Amstellodging and earn a good return on your investment.

Do you have a furnished apartment in Amsterdam and do you want to offer it for short or long-term rental to foreign guests who arrive in the city?

Then Amstellodging is the true link between you and the tenants.

We take care of all your administrative and organizational renting needs regarding the apartment. We have made this work as our speciality.

Amstellodging will take care of your home and your guests exactly as you wish. With us you are ensured that we will take care of:

- Good occupations
- Correct guests
- Effective promotion
- Reservations
- Management of availability
- Vouchers and itineraries
- Arrival and departure of the guests
- Key-control
- Collection of the deposit
- Cleaning
- Laundry
- Final Control
- Emergencies

Briefly, it's for all the these reasons and more that we will deal with your renting needs and propose you the services of a real professional.
